“FTA Section 5311 funds are available for administrative, capital and operating expenses incurred by public and private non-profit transportation providers in Kings County”

FTA Section 5311 Funds Available For Kings County Transit Providers

HANFORD - Each year Kings County receives an apportionment of Federal Transit Administration (FTA) Section 5311 funds that are available to public and private non-profit transportation providers in rural areas for capital, operating, and administrative expenses. Kings County Association of Governments (KCAG) is required to compile a “Regional Program of Projects” to show how the funds will be distributed among the applications received.

FTA Section 5311 funds are available for administrative, capital, and operating expenses incurred by public and private non-profit transportation providers in Kings County. Each applicant’s request must conform to the policies of the “2014 Kings County Regional Transportation Plan” (RTP) and meet “project programming criteria” adopted for the FTA Section 5311 program.

A Public Hearing will be held on Wednesday, April 22, 2015 at 4:30 p.m. in the Kings County Board of Supervisors’ Chambers, Administrative Building, Kings County Government Center, 1400 W. Lacey Boulevard, Hanford, California. The hearing will show how the apportionments of FFY 2015 FTA Section 5311 funds will be distributed in Kings County. Any interested parties are encouraged to appear and make statements of fact, present evidence, or submit their comments concerning this matter.
