

Kings County Regional Walk and Bike Plan

Project Advisory Committee Meeting #2

Wednesday, February 14, 2018 | 11:30 am – 12:45 pm
KCAG conference room | 339 W. D Street | Lemoore | Lunch will be provided

Agenda

- 11:30 – 11:40 Round of introductions for PAC members, KCAG staff and project consultant.
- 11:40 – 12:00 Presentation on the community needs assessment:
 - Overview and objectives of the process
 - How input was gathered
 - Key findings and results
- 12:00 – 12:15 Group discussion and input on the community needs assessment.
- 12:15 – 12:25 Proposed approach to the formulation of proposed improvements and recommendations.
- 12:25 – 12:35 How best to prepare KCAG member agencies for pursuing Active Transportation Program funding?
- 12:35 – 12:40 Remaining timeline for the Regional Walk and Bike Plan..
- 12:40 – 12:45 Closing questions or comments.

Key input sought from PAC members

❶ Community needs assessment

- Do the needs and concerns identified just about cover the main ones in Kings County?
- How should the plan, KCAG and the jurisdictions deal with non-infrastructure concerns?
- How should the plan deal with less directly related concerns (like vicious dogs)?

❷ Proposed improvements and recommendations

- Do you have any concerns with the approach of relying on local plans and on earlier plans?
- In what general areas would you prioritize new sidewalks and crossing improvements?
- How else would you prioritize new sidewalks and crossing improvements?

❸ Pursuing ATP funding

- In the past, what has stopped Kings County agencies from submitting ATP applications? What are the barriers?
- How can the Walk and Bike Plan process help agencies overcome these barriers?
