Key input and feedback sought from PAC members

- 1 Draft recommended improvements**
 - Do these seem like the right recommended improvements for your community?
 - Did we leave out anything important?
- 2 Kings County projects that could compete well for ATP funding**
 - Do you agree with our analysis?
 - How closely do these projects align with your community's priorities?
- 3 Developing competitive applications**
 - Does your jurisdiction intend to submit one or more ATP applications? For which projects?
 - Does your jurisdiction need help preparing applications? How can KCAG help you?
