SUBJECT: Administrative Modification No. 3 (Type 1 Amendment) to the KCAG 2025 Federal Transportation Improvement Program (FTIP)

Dear Mr. Le:

Enclosed please find the documentation in support of Administrative Modification No. 3 to the Kings County Association of Governments (KCAG) 2025 Federal Transportation Improvement Program (FTIP). The KCAG Executive Director is delegated the authority from the KCAG Policy Board to approve all administrative modifications at the regional level and through Resolution No. 11-09 and per the letter dated March 1, 2012 for the state level (FSTIP). The approved changes will not impact KCAG's financial constraint.

KCAG FTIP Administrative Modification No. 3 to the 2025 FTIP includes the following changes:

- FTA-5339G – Design & Build Electric Bus Charging Facility, including related infrastructure improvements, CTIPS 216-0000-0252: Adding the local fund match to project.

The proposed minor change is consistent with the description of an "Administrative Modification" (e.g. Item "1.ii. Revised funding amount") as outlined in the US DOT Document ID: 62,530; "Revised Federal – Statewide Transportation Improvement Program (FSTIP) and Federal Transportation Improvement Program (FTIP) Amendment and Administrative Modification Procedures" (June 3, 2011).

KCAG certifies that this administrative modification consists of Air Quality exempt projects, is consistent with the 2022 Regional Transportation Plan, that it does not impact the current regional Air Quality Conformity determination, does not interfere in the timely implementation of any TCM's, and has no projects in common with any other amendment open for public comment or currently being processed.

The required documentation is enclosed.
